Buffalo Niagara Heritage Village is a private 501 (c) 3 not-for-profit organization consisting of 11 historic buildings, a 25,000 square foot exhibit space, an educational facility, research and archival library, and a state of the art storage facility housing 40,000 artifacts, archives, and photographs. BNHV sits on a picturesque 35- acre museum campus. Each year, the museum hosts over 20,000 visitors including 6,000 school children.

With its mission to preserve and interpret the story of Buffalo Niagara for the people of today and the community of tomorrow, the organization is committed to making regional history a vital part of the Western New York Community.

Proceeds will help benefit the upkeep of the Historic buildings and 40,000 artifacts.

Help support educational programs like the Farmstead.
