

## **2018 Special Event Patron Registration**

*Dear «Name»:*

**We would like to invite you to become a patron at one or more of BNHV's largest events.** While everyone is invited to enjoy our events and festivals, patrons receive special benefits! Becoming a patron not only helps give back to the community, but also provides a tax deductible donation and a great experience for your family, friends or group.

**We are pleased to announce that the Buffalo Niagara Scottish Festival will be on August 18 and 19, 2018.** This event will offer 4 stages with different entertainment and the highland games, food, beverages, and much more. We hope to see you there.

**German Sommerfest will be June 3, 2018.** It will include The German American Musicians and other musicians, great food and beverages, and other fun and educational entertainment. It will be a great time.

**Run in the Country our Annual 5k will be on September 22, 2018.** It will be the Amherst Bicentennial edition. We will be adding in some fun twist to help celebrate. It also includes a kid's fun run and a great post party.

**Trick or Treat will be on October 19 & 20, 2018.** Help support a safe trick or treat experience for over 800 kids. The event will feature a pirates den with musical entertainment, trick or treating with over 16 stops, and a snack stop at the end.

**Breakfast with Santa will be on December 2, 2018.** Come enjoy a great breakfast, meet the big guy himself, and enjoy some hay rides and other entertainment.

On the following pages, you will find various sponsorship levels and benefits. Please use the attached form to select your desired level, as well as the event or events you wish to sponsor. **Finally, return the completed form with payment to BNHV by May 15, 2018.**

**Buffalo Niagara Heritage Village is a non-profit organization and all proceeds from our events go directly towards preserving BNHV's historic structures, expanding and developing new exhibitions in the Shaw building, and improving our educational programs.**

We hope we can count on your support!

Stephen Blass  
Director of Development
