

About

– BUFFALO NIAGARA – *HERITAGE VILLAGE*

When you explore *Buffalo Niagara Heritage Village*, you travel back to a time when life moved at a gentler pace, when families shared work and played together, when the proud heritage of our region was just beginning.

You can experience that heritage as it comes to life on our beautiful 35-acre grounds. Tour historical homes, a rural church, and one-room schoolhouses from the Buffalo Niagara region.

Interact with costumed interpreters who will graciously welcome you to our quaint Village and show you what life was like in the 19th century.

Buffalo Niagara Heritage Village also hosts over 40,000 artifacts and several galleries, including an interactive Canal room for children, a textile gallery, 19th Century Street of Shops, our permanent exhibit Forest to Front Lawn, and much more!

Buffalo Niagara Heritage Village was originally established in 1972 as the Amherst Museum.

Mission Statement

The Gallery at BNHV was created to present artwork for the encouragement and development of artistic expression, and to foster greater appreciation for art. We strive to create a place where people of every background can foster connections among artists and the public that ignite the creative spirit, and be touched by art. We are committed to exhibitions that will strengthen and sustain our community.

The Gallery at BNHV is a program sponsored by the Town of Amherst and Arts Services Initiative of WNY. The Gallery is managed by the Curatorial Department of BNHV.

The Gallery invites artists living or working in Western New York to submit proposals for exhibits.

Apply to Exhibit

- Proposals must be mailed and digital images must be emailed to curator@bnhv.org. No slides or photographs will be accepted.
- Read and follow all proposal guidelines in their entirety. Incomplete proposals will not be accepted.
- Include a numbered image list with artist, date of artwork, medium, and size (height by width) and a simple layout of the installation proposal.
- The Exhibition Committee of BNHV reviews all applications, approves all artworks for exhibitions, and determines the exhibition schedule. You will be notified by email of your exhibit dates. Submitting a proposal does not guarantee being selected for exhibition, and the panel may reject any application.
- Exhibitions are published on the BNHV website and Facebook page. Any other publicity is strictly the responsibility of the exhibiting artist.

“Every artist, child or adult, should be inspired to see greater possibilities for themselves and for their contributions to the world.”
